Purpose

Each spring and fall the MN UM Builders issues a call for a specific need by a congregation usually related to capital improvement, purchase of equipment, or expansion of ministry. These calls may assist an existing congregation or help in the development of a new congregation.

Process For Call Request

Following this discussion, please email the completed call request application with the supporting documents to the Minnesota Foundation. Applications are reviewed by the Minnesota United Methodist Foundation with assistance from District Superintendents.

The criteria for all requests includes: the suitability of the request for a call from the Builders, relative merits of all requests under consideration, the resources available to the churches submitting requests.

Requests for the fall call should be submitted by August 1 of the current year. A decision on the fall call will be made on or about September 15.

The Call

Mailings for the calls go out in April and October. The gifts from the call are received over a period of several months. Funds will be disbursed to the receiving church in March and September
